All individuals and their spouse (If married) who will have any ownership in this water main or land for easement purposes are required to sign the application and any easements required. Please list any others on a separate sheet to be attached.

The above named applicant hereby requests permission to extend the District water main at the following described location:

Applicant hereby states and agrees that, if permission is granted, the extension will be made in accordance with all applicable specifications and rules and regulations of the Public Water District No. 9, including but not limited to, the following:

- (A) Applicant agrees to assume the cost of the entire extension except in the circumstance that Public Water Supply District No. 9 shall agree to pay the difference in cost for pipe sizes larger than that required to provide adequate fire protection and service to the area being developed.
- (B) To pay all waterline connection fees and tapping fees subject to the fee schedule in force at the time the Water Service Contract is submitted to the District for signatures prior to construction of facilities.
- (C) To size, locate, and construct the extension in accordance with specifications and approved plans reviewed and accepted by Public Water Supply District No. 9 and their engineer, and under the inspection and direction of Public Water Supply District No. 9. Specifically this is understood to include construction of the entire frontage or other dimension of the tract to be served.
- (D) After final inspection and tests, to provide Public Water Supply District No. 9 any lien waivers or transfer of ownership on the completed water main as any be required.
- (E) Prior to construction, provide for the proper location and legal description of any easements which may be a part of the water main extension.
- (F) To be financially responsible for any repairs to defective materials or workmanship, and maintenance of backfilled areas for one year after acceptance of the main by Public Water Supply District No. 9.
